T. Dorsey Jones' Herd Reduction Sale

to be held at Raveni Stock Farm

Shelbyville, Ind., Thurs., Oct. 26, '39

Auctioneers—Earl E. Gartin and John E. Halsey.

Hal Longley, *Sale Manager*

Aurora, Illinois

37 ISLAND AVENUE

Hundreds of people have inspected the breeding herd at the T. Dorsey Jones farm during the past ten years and every man who has had this privilege has agreed that no herd of cows is more uniform or contains more quality. Every one of the 16 cows that sells has a great production record. All the heifers are of blue ribbon form.

The mature females in this sale have all produced animals that have attracted the favorable attention of every student of the Breed.

Welcome—

Although circumstances make necessary at this time the reduction of the herd, we wish to make it very plain that we are not dispersing and that the Raveni Herd may be considered in the future, as in the past, one of the top sources of supply for correct Scotch Shorthorns. We have made every effort to be perfectly fair with the public in this division of the herd and approximately half of the animals of each age are listed in this sale. In view of the fact that we have always culled the herd very closely for any animals that are in the least measure undesirable, we feel that the animals that are to be sold are of equal quality to those we are retaining. All of the cattle will be available for inspection on sale day and we will be glad to accept the public decision.

We have made every effort to be thoroughly constructive in our program of breeding Shorthorn cattle. Although attractive offers have been received many times in the past for nearly every animal listed in this sale, we have steadfastly refused to sell any of those that had been elected for permanent positions in the breeding herd. It is not easy to release these thoroughly proven breeding animals now but there will be slight compensation in the assurance that each of them will continue a history making breeding career that started at Raveni Stock Farm. It will be a pleasure to welcome all of you on October 26th.

T. DORSEY JONES

The younger Bulls and Heifers are all full brothers or full sisters to animals that are admired the country over.

Browndale Cupbearer 1883724, a consistent winner of top prizes and one of the best young herd bulls in the country, will be retained to assist his renowned sire Browndale Pilot in the Raveni herd. The service of both of these bulls on the beautifully bred females will be a feature of this offering.

No matter where you live and no matter how much expense or time is involved in making the trip, attendance at the T. Dorsey Jones Herd Reduction Sale will prove highly profitable to those who are really anxious to go forward in the Shorthorn cattle business. No herd is more favorably known, no herd contains greater uniformity of top quality and none can claim more history in the immediate family of each animal than this one. Indeed, because of the Raveni record for the production of scores of herd bulls and foundation females that have made unparalleled breeding and show records, this herd can easily lay claim to the unofficial title "The Premier Herd of America."

Circumstances make necessary at this time the reduction of the herd to half its present size and the public is to benefit. The division has been fair and the demands of the public have received equal consideration along with the requirements of the owner for successful continuation of the herd. The task of dividing the herd for purposes of this sale was perfectly simple because **there were absolutely no culls to be considered.** The half of the herd which the public will appraise on October 26th is fully as good as the half that will be retained.

Were this a complete dispersion sale, the event could not assume greater importance except in point of numbers, because this plan of herd reduction will release herd bull prospects and foundation females that could not be purchased under other circumstances. Truly this is the auction sale of the year.—Hal Longley of The Shorthorn World.

BROWNDALE PILOT 1653006

Photo taken at 12 years of age.

NINE years ago, when Mr. T. Dorsey Jones made an unannounced trip to Canada and purchased a son of Browndale Coronet from Jas. Douglas & Sons, little did the world think that this calf would make a breeding record that would rival those of his immortal ancestors, Browndale Count, Avondale and Whitehall Sultan. From the standpoint of the show ring records of his own calves; from the standpoint of the breeding records of his sons and daughters in scores of the top herds in the country; in fact, by any means that may be applied for the measurement of the true value of a sire to the breed, Browndale Pilot deserves the title "The Greatest Living Bull of the Breed." We salute you, Browndale Pilot, and we salute you, Mr. T. Dorsey Jones for the position you have earned for yourself as a "Builder of the Breed."—The Shorthorn World.

He is a son of Browndale Commander, the noted son of Browndale Pilot that now heads the herd at the University of Minnesota. Backed by the strongest possible ancestry, this bull should prove a great sire.

On this page we show the pictures of the two animals that show as "produce of cow." Browndale Defender, at the right, will sell in this sale. Raveni Roan Lady 16th, below, is not to be sold. This daughter of Browndale Pilot won first prize in the summer yearling class at the Ohio and Indiana State Fairs this year.

Browndale Defender

Raveni Roan Lady 16th

Browndale Defender—Who will be the fortunate new owner of this great young bull? Certain fame and fortune will go along with this dark roan grandson of Browndale Star. He was a consistent winner as a calf last year, and as a senior yearling in 1939, he has won first prizes at the Ohio and Indiana State fairs. We will probably wish to reserve the right to exhibit him at the coming International and in such a case, delivery will be made immediately thereafter. This bull, with his very beautiful half sister, Raveni Roan Lady 16th, pictured herewith, will be shown as the produce of dam and they should be very hard to beat. It was our original plan to retain this bull for our future herd sire but our decision to reduce the number of females in the herd makes it possible for us to offer him in this sale. No better or more widely known bull will sell this year.

Browndale Nonpareil 2d 1975980—A dark roan calf sired by Browndale Pilot and out of an imported dam. He is too young to sell to best advantage, but he is the kind of a bull that is well worth waiting for. He is particularly well balanced, has strong rear quarters and is a quality calf throughout. His full brother is siring good calves in the Ohio herd of Herman Gunsett.

Raveni Beauty 8th 1736687—Of all the families we have ever owned, this has been the most famous. It was this family that produced Raveni Leader, the International junior champion bull that made such a splendid breeding record in the Edellyn Herd. This red daughter of Browndale Star has always produced calves of the right kind and they have sold readily to critical buyers in our sales. Her dark roan daughter Raveni Beauty 19th, is the junior yearling in our 1939 show herd and she will also sell in this sale. Raveni Beauty 8th is in calf since July 22d to Browndale Cupbearer. She is a heavy milker and will rear a wonderful calf from this service.

Raveni Clipper 1860148—We hope she will go to a herd where great bulls are in service because we believe she will make history for the breed. She is a beautiful roan, thick, deep bodied, blocky and of the most admired type. In fact, she represents what we consider a perfect combination of top quality and top ancestry. This daughter of Browndale Pilot is out of an Edellyn bred cow and her granddam was Imp. Lena Clipper by the noted sire Collynie Royal Leader. She was shown as a junior heifer calf and stood first in class at the National Shorthorn Show in Fort Worth and the American Royal in 1936, also being a member of the first prize pair of calves at the above named shows. She is carrying her second calf. She is due to calve December 20 to the service of Browndale Defender, the great young blue ribbon winner that sells in this sale. We are keeping her dam and a full sister. From every standpoint she is one of the top females of the year.

This group of three bulls never met defeat. All were sired by Browndale Pilot.

The undefeated "get" of Browndale. Winners wherever shown including the International Live Stock Show.

One of the many winning pairs of calves sired by Browndale Pilot.

Browdale Star, the undefeated grand champion son of Browndale Count that was used with such great success in the Raveni herd. His blood will be prominent in this sale offering.

An imposing group of Shorthorns in the Raveni Herd.

Raveni Leader and Raveni Princess were never defeated in class when shown together and won many championships when shown alone. The former made a great breeding record in the Edellyn Herd.

No herd in the country contains a finer lot of brood cows than the Raveni Herd. A few of them are shown above. Nearly all of these are to be sold in this auction.

Raveni Lovely 11th—A dependable brood cow of the famous Shepherd Lovely tribe and a daughter of Browndale Star. Her red daughter, Raveni Lovely 15th, and her roan son, Raveni Regent, also sell in this sale and they are among our top individuals. She was bred July 27th to Browndale Defender, first prize senior yearling bull this year at the Ohio and Indiana State Fairs. The daughters of Browndale Star have proved great brood cows. We do not like to part with them.

Raveni Lady 8th and Raveni Rosewood 4th, a pair of senior heifer calves that will put someone on the map in the show ring as well as in the breeding herd. The former is a full sister to Browndale Hero, the Merryvale herd bull and to Raveni Pilot, the Purdue University bull. The Rosewood heifer is a full sister to our own great herd bull Browndale Cupbearer. Can you beat them for foundation purposes?

Raveni Lady 2d—A valuable breeding cow sired by **Browndale Star** whose sons have found favor at the colleges. Her first bull **Raveni Pilot** sired by **Browndale Pilot**, is in service in the **Purdue University Herd**. Her second bull, **Raveni Prince** by **Browndale Pilot**, is in service in the herd at **Michigan State College, East Lansing, Mich.** **Browndale Hero**, her third bull by **Pilot** is now in service at **Merryvale Farm**. He is shown below in his mature form.

Browndale Hero 1852133—Sire, **Browndale Pilot**. Dam by **Browndale Star**.

Raveni Lady 2d—We realize that she is eleven years old, but we offer her with no apology. What a brood cow she has been! She was the dam of **Raveni Pilot**, the **Purdue University** herd bull that helped us win the three bull group everywhere. This undefeated three bull group is pictured elsewhere in this catalog. She was also the dam of **Browndale Hero**, the bull that is making such a splendid breeding record in the strong herd at **Merryvale Farm**. **Kenneth Deacon** has a daughter of this cow and other daughters are in equally prominent herds. She will calve **December 20th** to the service of **Browndale Pilot**. Perhaps she will produce another **Raveni Pilot** or **Browndale Hero**. Her daughter, **Raveni Lady 8th**, also sells in this sale.

Raveni Roan Lady 11th

Stood at the top of her class at all 1936 shows. She is a full sister to Raveni Roan Lady 15th selling in this sale.

★

Raveni Roan Lady 15th—is perhaps the most valuable female we have ever offered for sale. First of all, she is from a family that has never produced a poor calf in our herd. Secondly, she is a junior yearling show heifer that will make a winning two year old for next year's shows. Thirdly, she represents our most famous blood combination, Browndale Pilot-Browndale Star. We are retaining her mother and two full sisters. R. D. Arnold owns a three-quarter sister and Conner Prairie Farms owns a full sister. The roan summer yearling heifer that Conner Prairie is showing this year is out of a full sister. She should be one of the top females of the year.

This great cow is the dam of Browndale Sensation 2d, the Conner Prairie herd bull whose get have won such high honors in 1939 show rings. Another of her bulls sired by Browndale Pilot was a first prize winner at Ft. Worth and the American Royal and, paired with Raveni Clipper, also selling in this sale, won first prize in the class for pair of calves at the Royal. Her daughters by Browndale Pilot have been in great demand, the last one being purchased by Kalarama Farms. In this auction, we are selling an outstanding January bull calf by Browndale Pilot out of her. She is a real breeder—the kind to keep—and she will drop a calf on January 6th to the service of Browndale Cupbearer.

Raveni Princess 6th 1883736—This is a family we have always liked and there's a reason! This heifer is a full sister to Browndale Ringmaster, the great Allison herd bull, and she is a full sister to Raveni Princess 2d, the beautiful heifer that showed with Raveni Leader, the Edellyn herd bull, to win the class for pair of calves—and this pair never met defeat. Another full sister that won second at the International was exported to Australia. We still have the dam and still another full sister. Raveni Princess 6th was bred June 23d to Browndale Defender, our first prize junior yearling bull.

Raveni Missie 2d 1775478—Note the first five bulls in this pedigree—Raveni Duke, Imp. Balcairn Regal Star, Ballylin Rodney, White Rock and Master Ruby, all on a strong Marr Missie foundation. Here is a cow of today's type, with level lines, a sweet head and she is also a grand milker. She was the dam of the champion heifer in the 1937 Indiana Show and Sale, a heifer that is now in the Conner Prairie herd. She sells in this sale with a mighty fine flashy roan heifer calf dropped in May and sired by Browndale Pilot. Never before have we offered any of the Raveni brood cows with Browndale Pilot heifer calves.

Raveni Augusta 12th

Sold to Miles-of-View Farm at the top price of our sale last June. She is out of the same dam as Raveni Augusta 16th in this sale.

Raveni Augusta 16th—Short legged, thick, smooth, with a good head and rich color. You will like this promising and beautifully bred heifer. She is out of the same dam as Raveni Augusta 12th, the top female in our sale last June, now a member of the strong Miles-of-View Herd. We recommend the pedigree and the heifer will speak for herself.
